"We make a living by what we get, but we make a life by what we give." - Winston Churchill

PHILANTHROPY

We are committed to many of the health needs of the worldwide communities where we conduct business. Across the globe, Silver Curve Records supports hospitals, clinics, medical research groups, and other health-related organizations with grants, donations and raising public awareness for various humanitarian causes.

Our next mission, **The 2012 Universal Awareness Initiative (U.A.I.)**, is a charity driven Worldwide Music Project, combining a series of benefit concerts, TV/radio/print interviews, and worldwide music/ music video releases featuring music industry celebrities and recording artists signed to Silver Curve Records. We are hoping to raise \$200,000 of combined concert tickets/music/music videos/merchandise sales in each of the following countries with 10% of all net profits to be donated to charities in those countries.
